

The world's first

ZERO WASTE CITIES CERTIFICATION CITIES

A robust, supportive,
and impactful system
which aims to promote
**LOCAL-LED
SOLUTIONS** across
Europe

and to encourage
municipalities to commit
to more **AMBITIOUS
GOALS** and implement
EFFECTIVE POLICIES

BUILDING ON OVER **10
YEARS OF WORK WITH
MORE THAN 400
EUROPEAN CITIES**

**BASED ON ZERO
WASTE
METHODOLOGY AND
EXPERTISE**

**AN INDEPENDENT, THIRD PARTY
ASSESSED CERTIFICATION SYSTEM
IN 4 STEPS**

1

COMMITMENT

2

IMPLEMENTATION

4

MONITORING &
OPTIMISING

3

CERTIFICATION

YEARLY IMPROVEMENTS

The municipality
must carry out yearly
improvements to
monitor and enhance
the **OUTCOMES
ACHIEVED**

New **AUDITS
EVERY 3 YEARS** to
confirm the
Certification status
and the possibility
to improve under a
5-STAR SYSTEM

The world's first
ZERO WASTE CITIES CERTIFICATION

WHAT'S IN IT FOR YOU?

TRUST & CREDIBILITY

Recognition as a **frontrunner city** in the implementation of zero waste and circular economy solutions

COMPLIANCE ASSURANCE

A proven model to meet and go beyond **national and EU** requirements

VALUE FOR MONEY

through effective resource and waste management solutions

ENVIRONMENT & HEALTH PROTECTION

directly helping to **reduce pollution & emissions**

MiZA FEES

- **Candidate Registration fee**
- **Yearly fee**
- **Audit fee**

Two main criteria:

- **Municipality's location**
- **Municipality's size**

The Certification fee paid by each municipality will be used to help **funding zero waste work across Europe**

BE PART OF EUROPE'S TRANSITION

ZW EXPERTISE

Greater access to ZW expertise in the form of both **online resources** and **local in-person guidance**

SHOWCASE YOUR WORK

Become recognised as a **zero waste leader** regionally and globally

Meet MiZA

The Certification is just one part of a **supportive package** offered to local authorities wishing to begin their journey to zero waste from any starting point

The Mission Zero Academy (MiZA) will be your guide throughout the Certification process and beyond, thanks to its online platform, downloadable tools, and a network of local zero waste experts
